ALTURNAMATS® GROUND PROTECTION MATS
The Original Ground Protection Mats Featuring Maximum Traction Diamond Plate Tread Design

These rugged mats are made of 1/2” thick polyethylene so they are virtually indestructible. They withstand vehicles weighing up to 120 tons, bend but do not break and feature a Limited Lifetime Warranty. AlturnaMATS® have been tested in record cold and heat. AlturnaMATS® are an environmentally friendly mat as they are made from recycled plastic materials.

With AlturnaMATS®, getting stuck is virtually eliminated. They are available smooth on one side or smooth on both sides, ideal for removing dirt or gravel.

ALTURNAMATS® FEATURES:

- Easily supports 120 ton vehicles
- Rugged 1/2” thick polyethylene
- Bold cleat design for great traction
- Build a roadway or working platform in minutes
- Leave turf smooth, even in soft conditions
- No more splintered, warped, water logged plywood
- Simply hosing down leaves the mats clean
- Available in black, white and clear mats
- Mats can be locked together with Turn-A-Links forming a continuous roadway
- Limited Lifetime Warranty

LANDSCAPING  TREE CARE  CONSTRUCTION  CONCRETE
VERSAMATS® GROUND PROTECTION MATS

Featuring an Exclusive Slip-Resistant Tread Design

VersaMATS® literally are the most versatile ground protection mats in the industry. The flat, slip-resistant tread permits pedestrians to walk safely on the mats, yet they are as rugged as the original AlturnaMATS®. The reverse side has the same diamond plate tread as AlturnaMATS®, providing great traction for vehicles.

VersaMATS® are also available in white and clear, making them ideal for safe use as long walkways even in darkened conditions. They are also available smooth on one side.

VERSAMATS® FEATURES:

- Leaves turf smooth even in soft soil conditions
- Tough 1/2" thick polyethylene
- Two practical cleat designs...for walking and vehicle traffic
- Withstand 120-ton loads
- Build temporary roadway or walkway in minutes
- Lock together with Turn-A-Links
- Limited Lifetime Warranty

*8”x10” Outrigger Lag applied under two separate conditions: 10,000# vertically and 10,000# with a 45 degree angle.
**Soft Grip Handle located on width side of all pads. Pads 900 sq.in. or larger have two or more handles or more handles opposite each other.
***Custom size pads available. Requires a minimum order. Lead time for non-stock items is 30-45 days.***

KEY: C = Centimeters; KG = Kilograms; CT = Square Centimeters
ADVANTAGES:

- **AlturnaMATS**: Featuring a bold diamond plate tread for maximum traction.
- **VersaMATS**: Featuring a flat, slip-resistant tread on one side designed for pedestrian traffic, and the bold diamond plate tread on the other side for vehicle traffic.
- **Limited Lifetime Warranty**

These mats virtually eliminate damage to lawns and landscaped areas throughout the world… from North America, Asia, Australia, Europe, to even Antarctica. These rugged mats are the popular choice among professionals. They are easy to use. Lock into place to form a continuous, solid roadway or work platform and they last for years. They are unequalled for quality and performance under the most hazardous conditions.

Each mat can be used in a broad variety of applications such as construction, golf courses, utilities, landscaping, tree care, cemeteries, drilling, sewage…wherever saving the costs of ground restoration is a factor. And they are great to save heavy vehicles from getting stuck in mud.

**AlturnaMATS and VersaMATS** provide locking links designed of steel to fit into holes on each end of the mats, locking them end-to-end to create a continuous roadway, or you can easily create a large platform for working vehicles.

**DON’T GET STUCK IN A RUT!**

Now there is no reason to create ruts such as shows here after a stumper traversed this front lawn. The owner had the ruts repaired at a cost of $1,800 and needless to say, never used the tree removal company again.
ALTURNAMATS® ACCESSORIES

TURN-A-LINKS
Steel links lock mats together to form a semi-permanent, yet portable, continuous roadway, walkway or working platform. The same steel material, but with a galvanized coating: easier to locate & harder to rust.

EZ-LINK SYSTEM
E-Z Links are a quick & convenient linking system for the AltunaMATS® VersaMATS®. The links are available in single or double, & are suitable for pedestrian applications as well as movement of light, compact equipment (Less than 12,000 GVW) when on stable ground conditions.

MAT-PAK
This complete package is the handy way to transport and store your AltunaMATS®. Pak Consists of:
• 12 Mats (4’ x 8’ or 3’ x 8’)
• 1 Metal storage, skid rack
• 20 Single Turn-A-Links
• 2 Handi-Hooks
• 2 Ratchet Straps

HANDI-HOOKS
AltunaMATS® Handi-Hooks make moving mats easier, even in wet areas. Made of steel rod, painted white.
